A CHILD IS CRUSHED

UNDER WAGON WHEELS.

Ribs Broken and Serious Internal Injuries Sustained—The Other Accidents.

Rodney Bixler, the 4-year-old son of Mr. and Mrs. Isaac Bixler, was seriously and perhaps fatally injured yesterday. The family lives about a mile and a half from the city on the Huntington road. It was decided to have a sort of picnic party to Blue Lake yesterday, and a party of eight made an early start. Rodney, who, like all small boys, was highly elated at the prospect of an excursion, was indulging in play when he slipped and fell out of the wagon directly under the wheels. It was impossible to stop in time to save him, and the wheels of the heavy farm wagon with eight people seated in it passed over his chest. The little fellow was taken back home and Dr. E. E. Morgan was called. He found that two ribs were broken and that there were internal injuries about the heart, the exact nature of which cannot yet be determined. The little fellow was terribly crushed.
